U.S. Serial No. 10/550,483 filed June 16, 2006

Dear Examiner Shameem:

Further to your telephone call of March 25, 2009, you related that the Publication Branch noted certain defects while trying to print the application. Enclosed herewith are Examples 9, 17 and 32 which appear in tabular form. The text is now legible and the formerly missing lines at the bottom of the Tables can now be seen.

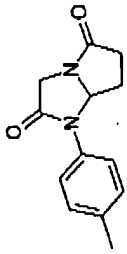

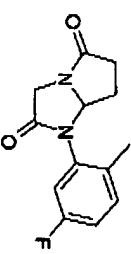

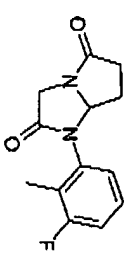

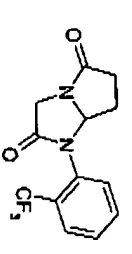

I hope this is satisfactory.

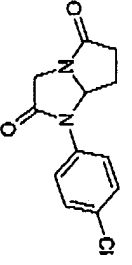

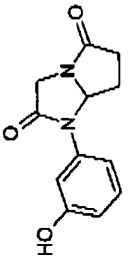

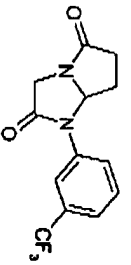

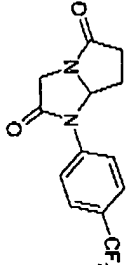

If you have any questions, please call me at 212-885-9232.

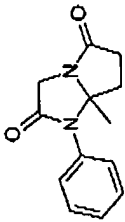

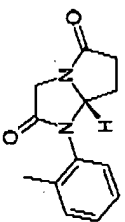

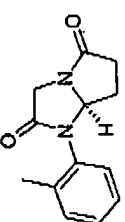

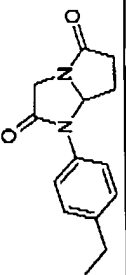

Sincerely,

Jay S. Cinamon - Reg. No. 24,156
